**Deputy Executive Director of Clean Air Asia**

Glynda Bathan-Baterina is the Deputy Executive Director of Clean Air Asia, an international non-governmental organization leading the regional mission for better air quality and healthier, more livable cities in Asia. She is an attorney with more than 20 years of experience in policy and program development for air quality, sustainable transportation, industrial emissions control, and climate change mitigation.

She has testified and participated in deliberations in the Philippine Congress including on measures exempting electric vehicles from excise taxes, strengthening vehicle standards and fuel specifications, improving vehicle inspection and maintenance, and implementing the Clean Air Act.

She helped draft the Philippine Clean Air Act of 1999 and she also led the Asia Clean Fuels and Vehicles program which resulted in national policies and roadmaps for cleaner fuels and vehicles.

In 2020, she was named one of the Outstanding Women in Transportation by the Transformative Urban Mobility Initiative.
